

It Just Takes One

TO CHANGE A CHILD'S LIFE FOREVER!

Each year, we launch an initiative called "It Just Takes One—The Annual Campaign for the Boys & Girls Clubs of Greater Santa Rosa". It just takes one caring adult to make a lasting difference in the life of a child, and we are asking you to be that One.

How can you make a difference?

You can help us to help more kids and make a positive difference in the life of a child by giving today and sponsoring a youth's membership. A membership card to the Boys & Girls Clubs of Greater Santa Rosa is a small gift that can open the door to a full year of fun and learning. Membership means having a safe place to go after school, and finding that special caring adult to guide you through another day. Membership means homework help, sports, arts & crafts, computers, friends and lots & lots of fun. Membership means being a kid and learning to explore dreams and developing one's potential.

A gift to the Boys & Girls Clubs of Greater Santa Rosa's annual campaign will support our efforts to make sure kids throughout the Santa Rosa area have a safe, positive place to go year round.

Your gift is also an investment in your community

Today's kids have never been at a higher risk, and the pressures they face are very different from when we were growing up. Kids need and want caring adult supervision and fun, challenging activities to keep them positively engaged and out of trouble.

Please give the gift that keeps giving all year long, and bring a smile of joy to a child. Give to "The Positive Place for Kids" and make a difference today and throughout the year.

Thank you for your generous contribution!

With hope & opportunity for youth,

Dr. Mary Bates, Chief Executive Officer

P.S. Each year, over 1,500 Santa Rosa kids are engaged in life-changing programs in five Clubhouses, which include Roseland, South Santa Rosa, Northwest and Central Clubs. Please visit us and see first hand how your gift makes a child smile. Other ways to give:
