Dear Vendor,

Did you know that more than 30,000 people visited our gym in 2008? By having an advertisement in our gymnasium, youth and adults alike will view your sign at all of these great events:

- 3 Co-ed Basketball Leagues and Tournaments
- Basketball games every Thursday & Saturday during the season
- Weekly karate classes
- Events & Fundraisers including our Annual Crab & Shrimp Feed
- And, most of all, the signs will be viewed by the 1,500 members of our After School, Summer, Teen and basketball programs.

The gymnasium is a hub of activity filled with visitors, including parents, business people, donors, community members, coaches of our Co-ed Basketball Leagues, and youth! We attract these individuals for many reasons, including our large gymnasium and programs that we conduct every year.

We owe you great thanks for your continued support of our programs and our gym! Click [here](#) for your secure online donation or call me at 707-542-3249.

Once again, we thank you for your support!!

Alfred Jones
